Are you going?

Have you booked accommodation?

Do Belinda & Stuart know you are coming?

## Annual General Meeting

**6/10/2025 at Corinella Community Centre**

**48 Smythe St Corinella at 11 am**

**Morning tea is provided.**

The club MUST have a minimum of 4 people to form a committee (President, Secretary, Treasurer and Vice President). Although all positions are declared vacant at the meeting, we really need a Vice President.

You can nominate a person (with their consent) or put up your own hand to become part of the team that keeps the BCS's moving.

The roles of Walks Coordinator, Welfare and Social Coordinator and Safety Officer are also needing to be filled. See Vicky for nomination forms and descriptions of what is involved.

## Long & shorter walk groups:

The long walkers continue encounter the seasons (and tides) as they get around. There was one walk cancelled due to weather and the meeting of waves equalled wet feet on another stroll. We have seen undermining and destruction around the Point Smythe area at Venus Bay (where the photo was taken) and found wombat mansions on another.

The short walkers have also been active with each walk concluding with a café stop. Whales were seen on a Kilcunda walk and the Cowes stroll was refreshing.

The trip to Loch was well attended and there is special thanks to Fiona for doing the reccie.

**Upcoming Overnight trip to Mirboo North Monday 13<sup>th</sup> Oct. Walks on the Monday & Tuesday.**
